Hope in the Future

In this first stage of the vision of "Hope in the Future" we are directed to celebrate what we are as parish. We did something like this a few years ago and we have the possibility of doing something similar this coming month. On **Saturday 17th March at 11am the Deanery Lenten Station Mass** will take place here at St Mary's. This will be a great opportunity to share with other parishes in the Deanery how we have developed certain skills and projects, then maybe they could share with us some projects that they have been working on and developed their skills. We can then continue to celebrate this through the weekend Masses. Originally, we were to have the Mayor of Hyndburn present, but that is not now possible, but it would be good to show others in the parish where we are up to. By displaying our and thanking God for the gifts and blessings He has bestowed on us can help us celebrate our Hope in the Future, and this can be the theme for the weekend. So the Community Project Team, the Schools "Faith in Action" Teams, the Foodbank Project, the Lourdes Group, Eucharistic Ministers visiting the sick and housebound, our choirs and musicians, those who maintain the grounds and buildings, CAFOD/Fairtraid/Mary's Meals groups, Finance and Administration Teams, Catechesis and Sacramental Programme Teams, Ossy Mills Grp, Emmaus, Sacristans and Cleaners, Welcomers and hospitality (including the Parish Centre) and others, all make up our parish and portray the work of Christ in the area and beyond. Let us make this weekend a time to see it all in action. If you would like to display your Group activities then please let us know.

"ADOREMUS" is a **Eucharistic Congress** that is taking place in Liverpool this September. On the 7th/8th Sept there will be workshops, Keynote Speakers, group presentations and various activities. On Sunday 9th September there are two Solemn Masses and an "Outdoor Eucharistic Procession". This will be a large gathering of the Church and we are only allowed 3 reps per parish. On Friday the Presentations are as follows:

Preparing children for the Sacraments of Initiation/The Ministry of the Eucharist in hospitals & prisons/Eucharistic Liturgical Rites outside of Mass

The Eucharist as a sign of the Church's Unity "One Bread, One Body" revisited/"A kingdom of justice, love and peace": The Eucharist and Social Justice/Teaching children to pray.

John Henry Newman and Dominic Barberi: An historical moment in Eucharistic Adoration/Musical resources for Adoration/Extraordinary Ministers of Holy Communion: Ministry and Practice

The cost is £40 per day and we need to know by 18th March who wishes to go. If interested then please speak with Fr John asap.

The Community Project

At the "Bit of a Do" evening in Feb we raised £248. Thank you to all those who made this possible. For those who wish to make a small monthly donation for a fixed period by standing order, we hope to arrange this soon. Thank you for all who have expressed support and we will keep you informed. The refugee project continues to move forward as we plan our preparations to welcome a Syrian refugee family. So far we have raised approximately £1700 in a relatively short period, we need to raise a total of £9000 in order to receive match funding from the Salford Dioceses and Caritas, however £4000 will enable us to formally register our application with the Home Office. Our forthcoming fund-raising events include; a "Jumble sale" at the Parish Centre on March 24th, 'A Bigger Bit of a Do' music night plus a charity fundraiser at Franco's Restaurant (Dates to be confirmed). A cd 'Angel 35' by Dylan is also selling like hot cakes so order your copy soon! All the money goes to the charity. For further information or feel you can help in any capacity, please contact Fr John, Dylan, Michael Partington, Beverly Flanagan, Eve & Peter, or any members of the planning group. Watch this exciting space.

Salford Diocesan Pilgrimage to Lourdes 27th July – 2nd August 2018

The 86th annual Diocesan pilgrimage to Lourdes, led by Bishop John Arnold, will take place later this year and it is hoped that priests and people from all over the Salford Diocese will join Bishop John on this pilgrimage. This year will mark the 160th Anniversary of the Apparitions. Would you like to form part of a parish group? Travel details have yet to be finalised but information about the Pilgrimage can be accessed at 0161 8817 2209 or visit the diocesan website at www.salfordlourdes.co.uk If any sick pilgrims, lay helpers, nurses, doctors, health care assistants, children from years 8,9 or 10, or anyone who would like to be part of the choir, then please speak to Fr John. More information will appear soon.

Mount Carmel RC High School *(This article appeared in "The Tablet")*

This is a Catholic school in the Diocese of Salford in which 40 percent of pupils are Muslim. It is an 11 to 16 co-educational secondary school with 800 pupils. In recent years, Mount Carmel has blossomed into a firmly Catholic School where Muslim pupils are fully integrated and encouraged to mature in their faith. "Mount Carmel is very much a family in which faith is central to all we do," said head teacher Xavier Bowers. "All the members of this family are welcomed and valued and because of this the religious diversity is something we really value."

The school has consciously sought to promote social cohesion and be a place in which faith, whether it be Catholic or Muslim, is used in learning.

Ofsted visited the school last November and found that pupils from different backgrounds, cultures and beliefs "work and learn together harmoniously" Inspectors said pupils debated controversial topics sensitively and sensibly. "In a religious education lesson, pupils discussed a recent provocative statement made at a public event. Pupils reacted strongly to the statement about how people who did not have a religious belief were "broken", said the report.

This part of Lancashire has a high number of Sunni, with deep roots in Pakistan. Mr Bowers and the school governors have met local imams and Muslim leaders to promote positive relationships. The school has made allowances such as ensuring that the timing of the school prom avoids Ramadan and allowing male students to grow a beard while they follow the Hadith programme.

Mount Carmel has embraced the Salford Diocese initiative of involving pupils in "Growing in Faith" teams (Gifts), which put the emphasis on faith development. Each year the school multifaith week to recognise and celebrate the different faiths and religious commitments at the school.

The Bishop of Salford, John Arnold, has given the school permission to teach Islam instead of Judaism as the second religion alongside Catholicism in the new GCSE RE course.
